

## Easy Change Aluminum Frame

Can be used in vertical or landscape position

**Aluminum Frame**

- Includes flexible, non-glare lens to protect your graphics (not glass lens)
- Easy to Use, Snap Open Frames
- Works as Both Countertop or Wall Mounted Frame
- Can be Used in Vertical or Landscape Position

This quick clip sign frame accommodates 8 1/2" x 11" pictures, and can be used as a wall mounted or countertop unit. A sign frame, also known as a picture frame, offers a great way to display photos, advertisements, and signs. This sign frame features four hinged sides that flip open and close in a snap. The frame is made of silver metal that has a matte finish and slim profile. A non-glare lens covers your sign and protects it from damage. This quick clip sign frame also features a back easel made out of molded plastic. When used as a countertop display, this easel can easily be changed from a vertical or horizontal position. This sign frame can also be mounted to a wall, and screws and anchors are provided to do so. This sign frame holds 8 1/2" x 11" graphics, however, a portion of your edges will be covered by the frame.

Can be wall mounted

Non-Glare Lens

Easy-Insert Easel
